Dear Mr. Nguyen,

It has been an absolute joy to work with you on all our properties continually over the last four years. From our kitchen and bathroom renovations, drain replacements, exterior improvements, and all MEP related issues I have had, you have been there as my number one contractor. I can always rely on you to step up to all challenges I am facing and get the job done in a timely fashion while keeping the owners costs to a minimum. We are in charge of hundreds of family's lives and you have done an outstanding job in keeping our properties beautiful and safe for our residents. It has been a blessing to have your services and to not have to worry about the job getting completed correctly. I have been in this business for over twenty years. It is very rare to find a company this dedicated to providing the best possible service and taking pride in their work. I want to thank you for all your hard work and I look forward to working with you for many more years to come.

SAGO Building Management, LLC should be recognized and awarded for their exceptional service.

Sincerely,

Chad Crackel
